

SCHOOL FIELD TRIPS TO HELISTAR CAMBODIA

Are your students curious about aviation? Do you think learning should be hands-on? Helistar Cambodia welcomes school students and teachers to visit our helicopter hangar facilities in Phnom Penh as part of school career day field trips. Information given to future aviators and mechanics have included detailed, hands on instruction on helicopter theory and operation as well as sharing knowledge on different aspects of, and opportunities in the helicopter industry.

We invite teachers and students to come learn about the world of aviation. If your students have their heads "in the clouds," maybe you should introduce them to the STEM concepts in aviation. We welcome elementary, middle, and high school students throughout the school year and summer, too. Field trips are free. We just ask you to work with us ahead of time to choose the day & time.

ARE THERE SAFETY PROTOCOLS FOR FIELD TRIPS?

Yes, Helistar Cambodia has safety policies and procedures. When you plan your field trip, we will go over this in more details. Students will be fully supervised and expected to adhere to all safety precautions related to an active airport. Helistar's motto is "**Safety First!**"

STUDENTS WILL LEARN

About the aviation industry in Cambodia, especially helicopter business and explore:

- How helicopter is operated.
- Understanding the importance of flight controls and their functions.
- The opportunity to see the actual helicopters and take pictures with helicopters and crews.

HELICOPTER FIRE SUPPRESSION

SLING FLIGHT PROJECT

PARACHUTING

MUSIC VIDEO

MEDICAL EVACUATIONS

LIDAR AND AERIAL SURVEYING

MOVIE FILMING FLIGHT (THE MEG 2, FAST AND FURIOUS 9)

We encourage you to augment your current instruction with a field trip.

If you have specific ideas, we can work with you. Logistically, here's how to plan your visit:

CONTACT US TO DISCUSS YOUR SPECIFIC REQUEST.

- Set a date and time.
- Provide copies of signed permission forms to Helistar Cambodia.
- Get ready for your kids to have fun!
